## Twilight Club

# Parent and Student Handbook

*"This project was funded in its entirety with federal funds under the Every Student Succeeds Act, Title IV, Part B, 21st Century Community Learning Centers (21st CCLC), through a grant agreement with the New Jersey Department of Education."*

Welcome to the Twilight Club. We are happy you are joining us. We look forward to having a lot of fun and learning this year!

The information in this handbook applies to the Twilight Club. You will need to read and keep this booklet handy throughout the school year.

The Twilight Club is part of the 21<sup>st</sup> Century Community Learning Center Clubs provided by the Regional Enrichment Center (REAL) to provide quality after school Clubs for students who attend the Paulsboro, Mount Holly and Pine Hill Public schools.

### **The Goal of the Twilight Club**

The goal of the Twilight Club is to promote growth, academic achievement and healthy habits among students in grades 3-8, by offering a variety of learning and enrichment activities in a safe and well-supervised environment. We also hope to engage parents and guardians with their children in experiences that foster a greater connection with their school and community. Students who are ready and willing to learn help make their experience in the Twilight Club a success!

### **The Twilight Club Schedule**

The Twilight Club will be held from school dismissal for 3 hours, Monday through Friday at your school. Your teacher will let you know the exact ending time. A monthly calendar will be sent home listing activities and Club closures. On half-days and days that your school is closed (i.e. Holidays and teacher in-service) the Twilight Club will be cancelled.

### **Cancellation Due To Weather**

If your school is closed due to inclement weather there will be no Twilight Club. If the weather begins to deteriorate during regular school day hours and the Twilight Club is cancelled, the grant secretary or site coordinator will contact your parents.

### **Attendance Policy**

Daily attendance is taken when you arrive at the Club. Regular attendance is important to your success in the Twilight Club. In order for you to receive the full benefit of the services provided by the Twilight Club, such as academic enrichment and teacher assistance, you need to attend on a daily basis.

Students are required to attend the Club a minimum of three days per week. Several unexcused absences may result in removal from the Club.

### **Transportation**

Transportation will be provided for all field trips. A bus will pick up the students from the Club and will return to the school for dismissal.

## Conduct

It is our belief that all students can behave appropriately and should be made responsible for their behavior. As educators, we have an obligation to enrich students of the Twilight Club. The Twilight Club will not tolerate any student interfering with the teacher's right to teach and/or another student's right to learn.

### CLASSROOM CONDUCT

Students are expected to conduct themselves in a proper manner. The Twilight Club has established 4 GOALS for our students to follow:

- Positive attitude
- Active Participation in Activities
- Respect
- Having proper body control

Students should always:

- Act in a safe and healthy way
- Take responsibility for learning
- Take responsibility for actions

### DISCIPLINE

If you exhibit poor conduct in class, an incident report will be filed. If the problem continues the classroom teacher or site coordinator will call your students parent or guardian.

### SEXUAL HARASSMENT POLICY

All students have a right to learn in an environment in which they can reach their fullest potential and in which all individuals are treated with respect and dignity. Therefore, sexual harassment of students or employees, whether verbal, physical, or implied, is unacceptable and offenders may be disciplined up to and including expulsion.

### ZERO TOLERANCE POLICY

The Twilight Club recognizes that there are certain behaviors that if tolerated would quickly destroy the learning environment. Acts of aggression **will not** be tolerated. When a student displays any violent acts of aggression a parent will be required to pick up their child immediately from your school. Bullying is considered an act of aggression and will not be tolerated.

### BUS CONDUCT

Students are expected to conduct themselves in a proper manner while riding the bus for field trips. Students are required to wear seatbelts while on the bus and remain seated. Any students who do not conduct themselves properly while riding the bus **will lose** their privileges.

### **Vandalism/Property Damage**

Damage to any school property or another person's property will result in dismissal from the Club. It will be the student and parents/guardians responsibility to pay for any damages to property.

### **MONEY, VALUABLES AND EQUIPMENT**

The Twilight Club prohibits students from bringing money, valuables and toys i.e. hand-held games to the Club, unless the student receives prior written permission from site coordinator.

### **LOST/DAMAGED ARTICLES**

The Twilight Club will not replace or provide restitution for lost or damaged personal belongings. The most effective way to prevent misplacing articles and theft is to leave your valuables at home.

### **PROHIBITED ITEMS LIST:**

In the interest of protecting the health, safety, and educational opportunity of all students, the following items are prohibited without prior permission from the site coordinator.

1. CD players, ipads, iPods, video game players, cameras, and other electronic items.
2. Explosive devices, including firecrackers, fireballs, cherry bombs, stink bombs, etc.
3. Weapons, look-a-like weapons, guns, knives, screwdrivers and/or other dangerous items.
4. Gang identification paraphernalia.
5. Medications or pills of any kind are prohibited without written permission of parents/guardians. A student should have his or her school nurse administer medication prior to attending the Twilight Club.

### **Electronic Devices**

#### **Cell Phones**

Students are permitted to carry cell phones during the Twilight Club. However, they are to be **turned off and out of sight during the Twilight Club.** Students who do not follow the policy

will have their cell phones confiscated. All confiscated cell phones will be returned to the student at the end of the school day with a warning to follow policy. On the second offense the phone will be returned only to the parent or guardian.

### Telephone Privileges

Students are not permitted to use the telephone or make calls using their cell phones while at the Twilight Club unless they receive permission from a teacher or a member of the staff.

### Homework Time

The Twilight Club will provide a quiet space and time for students to work on their homework. You will be given 45 minutes to work on your homework. Staff will be available to provide help for any students who may need it. However, we do not guarantee that all homework assignments will be completed by the time of dismissal.

Students are responsible for bringing homework materials to the Twilight Club. Homework may only be completed during homework time. Students are required to sign a homework form each day acknowledging whether or not they had homework.

### Data Collection

The Twilight Program is part of the 21<sup>st</sup> Century Community Learning Center Programs and is funded by the US Department of Education therefore; we **MUST** complete the requested reports to ensure we continue to receive funding. Some of the information that will be collected includes changes in academic performance, behavior both at the program and at school, and student and parent participation. Information is taken from the quarterly progress reports that are prepared by the teachers of the Twilight Program along with their regular school report card. Children's names are not used in the reports that are submitted to the Department Of Education.

In order to complete our required reports it is imperative that any forms, surveys and questionnaires sent to parents and guardians are completed and returned in a timely manner.

***Failure to comply with this request may cause The Twilight Program to miss important deadlines and could result in a loss of funding for our program.***

### Enrichment Activities

Students will have the opportunity to choose from a variety of activities and projects while attending the Twilight Program. Students will participate in academic enrichment activities for Language Arts, Mathematics, and Science. Students will be introduced to Fine Arts, Music, Photography, Character Education and different recreational activities throughout the year. Accommodations are made by the classroom teacher for students with special needs (i.e. curricular and physical activities).

## **Internet Policy**

Because the Internet contains an unregulated collection of resources, the Twilight Club cannot guarantee the accuracy of the information or the appropriateness of any material that a student may encounter. Therefore, before using our on-line resource, each student and his or her parent or guardian must sign and return the Acceptable Internet User Agreement. A copy of the signed agreement will be kept in your student file.

#### Department of Children and Families Office of Licensing INFORMATION TO PARENTS

Under provisions of the Manual of Requirements for Child Care Centers (N.J.A.C. 3A:52), every licensed child care center in New Jersey must provide to parents of enrolled children written information on parent visitation rights, State licensing requirements, child abuse/neglect reporting requirements and other child care matters. The center must comply with this requirement by reproducing and distributing to parents and staff this written statement, prepared by the Office of Licensing, Child Care & Youth Residential Licensing, in the Department of Children and Families. In keeping with this requirement, the center must secure every parent and staff member's signature attesting to his/her receipt of the information. Our center is required by the State Child Care Center Licensing law to be licensed by the Office of Licensing (OOL), Child Care & Youth Residential Licensing, in the Department of Children and Families (DCF). A copy of our current license must be posted in a prominent location at our center. Look for it when you're in the center. To be licensed, our center must comply with the Manual of Requirements for Child Care Centers (the official licensing regulations). The regulations cover such areas as: physical environment/life-safety; staff qualifications, supervision, and staff/child ratios; program activities and equipment; health, food and nutrition; rest and sleep requirements; parent/community participation; administrative and record keeping requirements; and others. Our center must have on the premises a copy of the Manual of Requirements for Child Care Centers and make it available to interested parents for review. If you would like to review our copy, just ask any staff

member. Parents may view a copy of the Manual of Requirements on the DCF website at <http://www.nj.gov/dcf/providers/licensing/laws/CCCmanual.pdf> or obtain a copy by sending a check or money order for \$5 made payable to the "Treasurer, State of New Jersey", and mailing it to: NJDCF, Office of Licensing, Publication Fees, PO Box 657, Trenton, NJ 08646-0657. We encourage parents to discuss with us any questions or concerns about the policies and program of the center or the meaning, application or alleged violations of the Manual of Requirements for Child Care Centers. We will be happy to arrange a convenient opportunity for you to review and discuss these matters with us. If you suspect our center may be in violation of licensing requirements, you are entitled to report them to the Office of Licensing toll free at 1 (877) 667-9845. Of course, we would appreciate your bringing these concerns to our attention, too. Our center must have a policy concerning the release of children to parents or people authorized by parents to be responsible for the child. Please discuss with us your plans for your child's departure from the center. Our center must have a policy about administering medicine and health care procedures and the management of communicable diseases. Please talk to us about these policies so we can work together to keep our children healthy. Our center must have a policy concerning the expulsion of children from enrollment at the center. Please review this policy so we can work together to keep your child in our center. Page 1 of 2

Our center must cooperate with all DCF inspections/investigations. DCF staff may interview both staff members and children.

Our center must offer parents of enrolled children ample opportunity to assist the center in complying with licensing requirements; and to participate in and observe the activities of the center. Parents wishing to participate in the activities or operations of the center should discuss their interest with the center director, who can advise them of what opportunities are available.

Parents of enrolled children may visit our center at any time without having to secure prior approval from the director or any staff member. Please feel free to do so when you can. We welcome visits from our parents. Our center must inform parents in advance of every field trip, outing, or special event away from the center, and must obtain prior written consent from parents before taking a child on each such trip.

An additional \$15 fee for the first 15 minutes and \$1 for every minute thereafter will be charged for picking up a child after dismissal time, and/or two hours after inclement weather school closings (see cancellation due to weather page 6). After two late pickups the student may be suspended for one week. After three late pickups the student may no longer be permitted to use the program and placed on the waiting list. If your child is not picked up within 45 minutes of dismissal, it may become necessary to call the police and/or the Department of Children and Families for assistance.

### **Parental Involvement**

The staff of the Twilight Program encourages parental involvement. Parents with questions or concerns should make an appointment with the site coordinator. Each marking period, a progress report will be sent to you in the mail. The reports help parents and guardians see the progress their child is making. Please feel free to contact our teachers with any questions regarding your child's progress.

**Parents and guardians are required to attend the orientation meeting.** Parents and guardians are also required to attend at least **two additional** parent meetings per grant year. Parental involvement is a key component to the 21<sup>st</sup> Century Community Learning Center Grant. ### **Photographs**

There may be times when photographs are taken of the students participating in the Twilight Program. The photographic material, whole or in composite may be used as the program sees fit in publications of educational material, promotional articles, and/or for another lawful purpose.

Parents will be asked to complete a Minor Model Release form that will give consent for their child's picture to be taken. If you do not wish to have your child appear in photographs, please be sure to indicate so on the minor model release form.

### **Policy on the Release of Children**

When a parent or guardian picks up their child, they must sign the sign in/out sheet. Each child may be released only to the child's parent(s) or persons authorized by the parent(s) to take the child from the program and to assume responsibility for the child in an emergency if the parent(s) cannot be reached. If the scheduled person to pick up your child changes, the Twilight Program must be notified before your child can leave. It is required that the parent or guardian call the REAL Center at 856-232-(REAL) 7325 or send a detailed note explaining who will be responsible for picking up their child. The individual responsible for picking up your child will be required to show identification. This policy is for the protection of your child.

If a non-custodial parent had been denied access, or granted limited access to a child by a court order, the program shall secure documentation to that effect, maintain a copy on file, and comply with the terms of the court order.

If the parent(s) or person(s) authorized by the parent(s) fail to pick up a child at the end of the Twilight Program the program shall ensure that:

- 1) The child is supervised at all times
- 2) Staff members attempt to contact the parent(s) or person(s) authorized by the parent(s)
- 3) An hour or more after dismissal, and provided that other arrangements for releasing the child to his/her parent(s) or person(s) authorized by the parents(s), have failed and

the staff members cannot continue to supervise the child at the center, the staff shall call the 24- hour Hotline 1-877-NJ- ABUSE (1-877-652-2873) to seek assistance in caring for the child until the parent(s) or person(s) authorized by the child's parent(s) is able to pick-up the child.

If the parent(s) or person(s) authorized by the parents(s) appears to be physically and/or emotionally impaired to the extent that, in the judgment of the coordinator and/or staff member, the child would be placed at risk of harm if released to such an individual, the program shall ensure that:

- 1) The child may not be released to such an impaired individual
- 2) Staff members attempt to contact the child's other parent or an alternative person authorized by the parent(s)
- 3) If the program is unable to make alternative arrangements, a staff member shall call the 24- hour Child Abuse Hotline 1-877-NJ- ABUSE (1-877-652-2873) to seek assistance in caring for the child

**For school-age childcare programs, no child shall be released from the program unsupervised except upon written instruction from the child's parent(s).**

### **Schedule**

The Twilight Program will be held Monday through Friday for 3 hours per day. Please contact your site coordinator for exact program times. A monthly calendar will be sent home listing activities and program closures. You should be aware that the grant does not run every single school day, on half days, or in the mornings.

### **Schedule Changes**

If a child attends extracurricular activities or has another arrival/departure time change than originally scheduled, you must immediately notify the REAL Center in writing, including date and time. Provide the Twilight staff with notification several days before the day of change.

### **Sign Out Policy**

When a parent or guardian picks up their child, they must sign the sign in/out sheet. Only authorized individuals are allowed to sign out your child and are required to show identification. If the scheduled person to pick up your child changes, the Twilight Club must be notified before your child can leave. It is required that the parent or guardian call the REAL Center at 856-232-(REAL) 7325 or send a detailed note explaining who will be responsible for picking up their child. The individual responsible for picking up your child will be required to show identification. This policy is for the protection of your child.

## **Snacks**

## **Transportation**

Transportation will be provided for all field trips.

## **Withdrawal from Twilight Program**

Should a parent choose to withdraw their child from the Twilight program, please complete the withdrawal form. Your child will be considered an enrolled student unless we have the withdrawal form.

## **MEDICAL POLICIES**

### **First Aid/Accidents**

If a student receives a minor injury while attending the Twilight Program, first aid will be administered and an accident report will be filed. Twilight staff is certified in First Aid and CPR.

### **Medication Administration Policy**

The Twilight Program must inform parents of our policy on administering medication and health care procedures to children. When we administer any medication or health care procedure to a child, we will follow these procedures.

The Twilight Program **will not** give prescription medication or health care procedures for a child with a short-term illness. Students who need medication should see their school nurse before arriving at the Twilight Program.

The Twilight Program **will** give over-the-counter (non-prescription) medication or health care procedures to a child. Our program will provide reasonable accommodations for the administration of medication or health care procedures to a child with special needs, if failure to administer the medication or health care procedure would jeopardize the health of the child or prevent the child from attending the program.

Parents must provide written permission before any medication or health care procedure is administered to a child. Written permission is also needed if a school-age child is permitted to self-administer medication or health care procedure.

Medication must be in its original container and labeled with the child's name, the name of the medication, the date it was prescribed or updated, the expiration date and directions for administration. If a child may need health care procedures while at the program (such as the use of nebulizer, glucometer or epi-pen), parents must let us know who can provide appropriate training for our staff, and how we can contact the health provider.

Medication will only be given according to the directions on the label, unless we have other written instructions from a health care provider. A health care provider's note is also needed for any type of non-prescription medication other than antihistamines, cough suppressants, decongestants, fever reducers/pain relievers (such as acetaminophen and ibuprofen) or topical (skin) preparations (such as sunscreen).

Authorized staff who are informed of the child's medication and health care needs will give medication or health care procedures. If a child shows any adverse effects of medication or health care procedures, parents will be notified immediately. Unused medication and health care equipment will be returned to parents when no longer being administered.

We will maintain on file a record of:

1. The child's name and parental authorization;
2. The name of the medication;
3. The condition for which the medication or health care procedure is being used.
4. The instructions for administering the medication, including the dosage and frequency;
5. The time and by whom the medication was administered to the child;
6. Any adverse effects the medication may have on the child

The following steps will be followed in an emergency:

1. The parent/guardian will be contacted immediately
2. The child's health care provider will be contacted
3. The Twilight Program will attempt to contact the parent/guardian through all of the emergency persons listed on the child's registration form.
4. If we cannot contact the parent/guardian or your child's health care provider, we will do any or all of the following:
  - ✓ Call for emergency first aid assistance/transportation
  - ✓ Call another health care provider
  - ✓ Have the child transported to an emergency hospital in the company of a staff member

*(More information regarding the REAL Center's Twilight Program's medical policy is included on the blue medical waiver form)*

**DISEASES (Policy on Management of Communicable Diseases)  
(Prepared by the Office of Licensing, Child Care & Youth Residential Licensing, in the Department of Children and Families)**

If a child exhibits any of the following symptoms, he/she should not attend the program. If such symptoms occur at the program, the child will be removed from the group, and you will be called to take him/her home.

## **Expulsion Policy**

Unfortunately, there are sometimes reasons we have to expel a child from our program either on a short term or permanent basis. We want you to know we will do everything possible to work with the family of the child (ren) in order to prevent this policy from being enforced. The following are reasons we may have to expel or suspend a child from the Twilight Program:

### **Immediate Cause for Expulsion**

- The child is at risk of causing serious injury to other children or himself/herself
- The child threatens physical or intimidating actions toward staff members
- The child exhibits verbal abuse to staff in front of enrolled children

### **Parental Actions for Child's Expulsion**

- Failure to pay/habitual lateness in payments
- Habitual tardiness when picking up your child
- The parent threatens physical or intimidating actions toward staff members
- Verbal abuse to staff
- Failure to notify staff of schedule changes

### **Child's Actions for Expulsion**

- Habitual absences without justification
- Failure of child to adjust after a reasonable amount of time
- Uncontrollable tantrums/angry outbursts
- Physical or verbal abuse to staff or other children

### **Schedule of Expulsion**

If after the remedial actions above have not worked, the child's parent/guardian will be advised verbally and/or in writing about the child's or parent's behavior warranting an expulsion. An expulsion action is meant to be a period of time so that the parent/guardian may work on the child's behavior or come to an agreement with the program.

The parent/guardian will be informed regarding the length of the expulsion period.

The parent/guardian will be informed about the expected behavioral changes required in order for the child or parent to return to the program.

The parent/guardian will be given a specific expulsion date that allows the parent sufficient time to seek an alternate enrichment program (approximately one to two weeks notice depending on the risk to other children's welfare or safety).

Failure of the child or parent to satisfy the terms of the plan may result in permanent expulsion from the program.

### **Exceptions to Being Expelled**

A child may not be expelled if the child's parents/guardians:

- Made a complaint to the Office of Licensing regarding a center's alleged violations of the licensing requirements.
- Reported abuse or neglect occurring at the program.
- Questioned the center regarding policies and procedures.
- Did not receive sufficient time to make other arrangements.

### **Proactive Actions That Can Prevent Expulsion**

- Staff will try to redirect child from negative behavior.
- Staff will reassess classroom environment, appropriate activities and supervision.
- Staff will always use positive methods and language while disciplining children.
- Staff will praise appropriate behaviors.
- Staff will consistently apply consequences for rules.
- Child will be given verbal warnings.
- Child will be given time to regain control.
- Child's disruptive behavior will be documented and maintained in confidentiality.
- Parent/guardian will be notified verbally.
- Parent/guardian will be given written copies of the disruptive behaviors that might lead to expulsion.
- The site coordinator, classroom staff and parent/guardian will have a conference to discuss how to promote positive behaviors.
- The parent will be given literature or other resources regarding methods of improving behavior.
- Recommendation of evaluation by professional consultation.
- Recommendation of evaluation by local school district's child study team.

### **Zero Tolerance Policy**

The Twilight Program recognizes that there are certain behaviors that if tolerated would quickly destroy the learning environment. Acts of aggression **will not** be tolerated. When a student displays any violent acts of aggression a parent will be required to pick up their child immediately from the program. A parent conference must be held before the child can return to the Twilight Program.
